V7 Videoseven offers one of the fastest 17" LC-Display with the V7 E17PS of the innovative Entertainment Line. Key applications for this model are games, videos and multimedia presentations due to the super-fast response time of 8 ms and the high brightness. Beside of these excellent specifications for home entertainment the V7 E17PS is also perfectly equipped for daily office use. The model is also available in white design as V7 W17PS.
